We are very sorry that we are submitting the fee proposal with delay as we were planning to file an appeal with the higher authorities as we have not received the LOP for all the seats which s. Some colleges have filed writ in the court regarding the same. But as the next round of counselling is to start we have to take admission and thus, we are submitting the proposal with the allotted seats in different PG courses.

Considering the above, you are requested to kindly fix the fee for the above PG courses.

Thanking you,

Yours Sincerely;

Dr. Manoj Kumar
